From Modern architecture to traditional & cultural structures.

THERE ARE MANY PLACES TO BEHOLD AND SO MUCH TO EXPLORE!

## FAQs

**Q1. Are the Programmes offered by Indian institutions recognized internationally?**

**A. All Indian universities/institutions offering degrees in professional and technical courses are globally recognized with the quality assurance given by national-level statutory bodies viz. NIRF and NAAC.**

**Q2. Where can International students gain more information about study options available and quality of education in India?**

**A. Visit the 'Plan your studies' section on [www.studyinindia.gov.in](http://www.studyinindia.gov.in) to know which institute and course fits your interest.**

**Q3. Do International students need to give GRE, GMAT, TOEFL, IELTS or any other test to study in India?**

**A. While Indian universities do not insist on such requirements, proficiency in English is a must since the academic programmes are taught in English.**

**Q4. What is the difference between Scholarship and Tuition Fee Waivers?**

**A. Study in India scholarship covers tuition fee, accommodation and canteen charges upto USD 3500. Tuition fee waivers are concessions given by institutes on the tuition fees in the ranges of 100%, 50% & 25%. The rest of the charges have to be paid by the student.**
