4. Guarantee

4.1 The Contractor shall guarantee that all tennis court materials supplied & installed by him shall be free from defects.

4.2 The period of the guarantee for SBR rubber cushioned surface with 8 layer synthetic overlay system court material shall be 3 (three) years and 1 (one) year for the rest of the items/ materials, from the date of completion & handing over of tennis court. During the guarantee period, any material found to be defective shall be replaced free of charge and any shortcomings found in the tennis court shall be replaced/ rectified promptly, at no extra cost to the Employer. The Contractor shall provide the necessary personnel and tools for fulfilling the above guarantee.

5. Samples, Quality Assurance and Standard Workmanship

5.1 After award of the Contract, the Contractor shall furnish samples (along with specifications) of all tennis court materials viz. synthetic overlay, fence, light fixtures, nets, roller, etc., to the Employer, with such promptness as to cause no delay in his work.

The approval of the samples by the Employee shall in no way relieve the Contractor from his obligations to provide a complete and satisfactory installation, as per intent and purpose as laid down in the specifications.

5.2 The Contractor shall ensure quality control measures on different aspects of execution including materials & workmanship.

5.3 The Employer has the right to supply any material but execution will be done by the Contractor and rates shall be suitably adjusted for all such items.

6. Setting-out and Execution

6.1 The Contractor shall be responsible for the correctness of the positions, levels & alignment of the entire plantation and for provision of all necessary instruments, appliances & labor in connection with the foregoing responsibilities

6.2 If, at any time during the execution of the works, any error appears in the positions, levels, dimensions or alignment of any part of the works, the Contractor, on being required to do so by the Employee shall, at his own cost, rectify such error to the satisfaction of the Employer & Engineer-in-Charge.

6.3 The checking of any setting-out or of any line or level by the Employee shall not in any way relieve the Contractor of his responsibility for the accuracy thereof.

7. Contractor's Supervision and Progress of Works

7.1 The Contractor shall deploy qualified Supervisors at the site of works. These Supervisors shall be educated/ capable to read the working drawings and understand installation of tennis court components, so as to execute the works as per drawings & specifications.

7.2 The Contractor shall maintain his labor force and supervisory staff as required and as directed from time to time to provide highest standards of Tennis Court works.

7.3 The Contractor shall give all necessary personal superintendence whole time during the execution of the works, and as long thereafter as the Employer/Engineer-in-Charge may consider necessary until expiration of the Defects Liability Period.

7.4 The Contractor shall assume full responsibility for any delay in delivery of materials and not having completed the work in accordance with the agreed time schedule by him. Such excuses shall not form any criterion for extension of time, or any claims by the Contractor.

7.5 The record of labor at site would be logged at a register maintained by the Contractor. The Contractor shall also furnish monthly Progress Reports, giving an accurate record of the progress of the works.

8. Co-ordination

8.1 The Contractor shall fully co-operate with all the Agencies appointed by the Employer so that there is no conflict, in behavior or in progress of work whatsoever at site.

9. Communication to be in Writing & Service of Correspondence

9.1 All references, communications, correspondence made to the Employer and the Project Management Consultant/ Engineer-in-Charge shall be in writing and no reference, communication or complaint which is not in writing shall be recognized.

9.2 All correspondence/ notices to be given to the Employer under the terms of the Contract shall be served, by sending through registered post or hand delivering the same at the Employer's address.

10. Discrepancies

10.1 All the Contract Documents & Drawings are complementary to each other and are intended to include or imply all items required for the proper execution and completion of work. What is required by any one shall be as binding as if required by all. In the event there is a discrepancy between the Schedule of Quantities, Specifications and/ or Drawings subsequent to the opening of the Tender, and during execution of works, the same shall be brought to the notice of the Employer, whose decision shall be binding on the Contractor.

10.2 The several documents forming part of the Contract are to be taken as mutually explanatory. If there are varying or conflicting provisions made in any one document forming part of the Contract, the Employer shall be the deciding authority with regard to the intention of the document.

11. Water & Power Supply

11.1 The Contractor shall be provided water & power as required for execution of works by the Mission, without any cost. However, any delay in works due to non-availability of water & power supply shall be on Contractor's account.

11.2 The Contractor shall ensure that he/ his workers do not waste any water & power. In case he wastes the same, the Employer shall be at liberty to levy penalty/ charges at the rates considered suitable.

11.3 The Contractor shall ensure that the existing water & power supply and communication lines in the functioning Embassy Complex are not disrupted/ damaged at any stage during the execution of works, failing which, he shall bear all losses towards rectification/ replacement of the same.

12. Security

The Contractor shall issue identification passes to all his workers/ staff, which shall be got scrutinized and stamped by the Employer, for security reasons. For these passes, required for admission of his workers into the site, the Contractor shall furnish to the Employer two photographs of each of his workers/ staff and their particulars, and produce satisfactory evidence as to their identity and bonafides for their record. The passes, each of which shall contain the name, photograph & identification number of the worker/ staff, shall be returned by the Contractor on demand of the Employer and in any case, on the completion of the works. In case Police verification for any or all labor/ staff is required by the Employer, it shall be got done by the Contractor at his own cost.

Any person employed by the Contractor in the capacity of his staff member or labor, whose attitude and conduct is found unsuitable to the interest of work and general discipline within the premises of work, shall be prevented access into the site by the Employer and this shall be complied with immediately.

13. Working Hours & Working Days

13.1 No work shall be carried out at site by the Contractor on National Holidays, as applicable in the Embassy of India, Kathmandu, without written permission, to be obtained well in advance from the Employer and the Engineer-in-Charge.

13.2 The Contractor shall follow the prevalent working hours and holidays, as permitted under the local Labor Laws of Kathmandu, Nepal, enforced from time-to-time. In case the above working hours and days require changes as per the local Laws & Regulations, the Contractor shall inform the same in writing to the Employer & the Engineer-in-Charge- and obtain permission from them.

14. Rates

14.1 This being a Lump-sum tender, the Contractor shall quote a firm amount for the total job.

14.2 Amounts quoted for this Contract shall include the cost of all materials, equipment, machinery, labor, packaging, loading, unloading, forwarding, port and allied charges, freight, transportation within India as well as in Nepal upto the site, insurances, profit and

other overhead expenses together with all taxes and duties, including bringing imported materials to India/ Nepal.

The cost shall also include supervision charges in Kathmandu, including to & fro airfares, lodging & boarding, conveyance and other incidental expenses in respect of his staff deputed at site. The amount quoted shall be firm, final and binding.

14.3 No escalation shall be paid towards increases in the prices of foreign currency, material, labor, petrol/ diesel & lubricants, increase and/ or fresh levy of duties, taxes etc. during currency of the Contract including the maintenance/ defects liability period.

15. Stages of Payments

15.1 The payments shall be released in the following stages

Stage	Item of Work (as per the General Scope of Work and % of the Total Contract the Schedule of Items)	% of the Total Contract Value

15.2 Recoveries on account of security deposit, statutory dues and other amounts due to the Employer as per Contract, shall be made from the gross amounts payable in all the stages mentioned above.

15.3 All payments shall be made in Indian currency. The foreign exchange required during the currency of the Contract including the maintenance period shall be arranged by the Contractor himself. No compensation shall be paid by the Employer.

16. Payments

16.1 In case the Contractor does not execute the work as per CPWD specifications/ best international practices but the quality is within the acceptable limits, deductions would be made in his rates and part-rates shall be paid to the Contractor for such items.

16.2 In case the Contractor supplies sub-standard material which is not acceptable, the same shall be rejected and the Contractor shall re-do/replace the same at his own cost.

16.3 The Employer may withhold the whole or any part of the payment due to the Contractor to the extent necessary to protect the Employer from laws on account of any breach of the Contractor's obligation under the Contract. When the cause for withholding is rectified/ taken care of, such amount as then due and owing shall be paid or credited to the Contractor.

16.4 The decision of the Employer in 16.1, 16.2 & 16.3 above, shall be final & binding on the Contractor.

17. Income Tax and other Taxes

17.1 Income Tax, Works Contract Tax and other taxes as applicable for the works will be deducted by the Employer from all the interim bills and the final bill of the Contractor, and remitted to the Government account.

17.2 It will be the responsibility of the Contractor to indicate the various taxes to be deducted, as applicable for the works, while submitting his Interim and Final Bills. All penalties, interests, charges, etc. if levied by the Government/ Authorities on account of any misrepresentation/ ignorance regarding such taxes to be deducted from his bills, shall be borne by the Contractor.

18. Variations

18.1 The Employer may decide to change the scope of work at any stage thereby causing unlimited variations in the tendered quantities for which no claim from the Contractor will be entertained towards extra rates, etc. However, for such deviations executed at site, the Contractor shall be paid on pro-rata basis of tendered scope of works & specification.

18.2 The Employer shall have the power to add, reduce, omit or hold any work/ part of the work at any stage during execution, due to non-availability of a portion of the site or for any reason whatsoever. No compensation whatsoever shall be payable to the Contractor on this account.

18.3 The Employer shall have powers to make any alterations in, omissions from, additions to, or substitutions for, the original specifications, drawings, designs and instructions that may appear to him to be necessary during the progress of the work and the Contractor shall carry out the work in accordance with such instructions which may be given to him in writing, signed by the Engineer-in-Charge. Such alterations, omissions, additions or substitutions shall be carried out by the Contractor on the same conditions in all respects on which he agreed to do the original work. For any change in the specifications, rate adjustment, plus or minus, shall be made in the rate for which the Contractor shall take prior approval from the Employer before execution of works. For rates of such extra items, the Contractor shall furnish analysis of rates for approval from the Employer.

18.4 The Employer's decision in all matters including items related to the aesthetics aspects will be final and he shall have the authority for special inspection of the work whether or not such work is then completed.

19. Possession of Site

19.1 In so far as the Contract may prescribe the extent of portions of the site of which the Contractor is to be given possession, the Employer, through the Engineer-in-Charge, shall give to the Contractor possession of the site to enable the Contractor to commence and proceed with the works.

19.2 The Employer shall have the right to use the tennis court before the work is accepted as finally completed, except only that the Engineer-in-Charge shall inspect those parts of the works to be occupied by the Employer and issue to the Contractor a List of Defects/ deficiencies outstanding, prior to occupation by the Employer. With this sole exception such occupation shall not relieve the Contractor of any of its obligations under the Contract.

20. Cleaning of Site

20.1 The Contractor shall be entirely responsible for the prompt removal from the site of all surplus materials, spoils, and debris/ deleterious materials of whatever nature. This removal shall be carried out on a regular basis, and subject, if necessary, to the instructions of the Employer. The said instructions shall be binding upon the Contractor, but shall not relieve him of any of his obligations under the Contract. The Contractor shall be responsible for selection of the place of disposal which shall be legally authorized for that purpose. The Contractor shall defend, indemnify and hold harmless the Employer from any and all losses, damages, expenses, fines, etc. that the Contractor may incur if in violation of such requirement. The Contractor is deemed to have allowed for these associated costs in his Tendered rates.

20.2 The work of the Contractor will not be treated as complete unless he removes all the debris of the work from the site and hands over the site, clean in all respects.

21. Permits, Insurances & Indemnification and Miscellaneous Expenses

21.1 The Contractor shall obtain and pay for all permits and miscellaneous expenses required for the works. The Contractor shall follow the Safety Code and Model Rules for the protection of health & safety of staff/ labor as prescribed by the Local Authorities.

21.2 The Contractor shall be responsible for all injuries/ damages to persons, animals, things, trees, properties, plant & machinery, roads, streets, footpaths, service lines, etc. which may arise due to his neglect or that by any of his Sub-contractors, employees, labor whether such injury or damage arises from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of this Contract, within or outside the site. The Contractor shall indemnify the Employer and hold him harmless in respect of all or any expenses arising from such injury or damage to person and property and also in

respect of any claim made under any Acts of Governments of Nepal. The Contractor shall reinstate all damages of any/ every sort mentioned in this clause so as to deliver the whole Contract works complete and perfect in every respect and so as to make good or otherwise specified, all claims including that for damages to the property of the third party.

21.3 Insurance of works - Before commencing the execution of works, the Contractor shall insure the whole work for a sum equivalent to the Contract value and interest of the Employer against all risks, claims, proceedings, loss or damage costs and take a Contractors Comprehensive All Risk Policy from an approved Insurance Company in the joint names of the Employer and the Contractor against such risks and deposit the said policy along with the receipt for the payment of upto-date premium (in original) with the Employer. The validity of the policy shall be extended/ renewed till the expiry of the Defects Liability Period. The Insurance policy/ policies to be taken by the Contractor shall also cover his own labor/ staff deputed at site.

21.4 Third Party Insurance - Before start of work, the Contractor shall insure and indemnify and keep indemnified the Employer against all claims which may be made against the Employer by any member of the public, third party, statutory bodies, sub-contractor, supplier, labor, properties, roads and bridges, etc. adjoining/ outside the site, etc. in respect of anything which may arise in respect of the works and at his own expense arrange to effect, secure and maintain until the Defects Liability Period, a policy of insurance in the joint names of the Employer and the Contractor, from an approved Insurance Company against such risks, and deposit such insurance policy (in original) along with the receipt of payment of the premium with the Employer.

21.5 Similarly, the Contractor shall indemnify the Employer against all claims which may be made upon the Employer under the Payment of Wages Act, Minimum Wages Act, and Employer's Liability Act, Workmen's Compensation Act or any other statute in force during the currency of this Contract including the Defects Liability Period.

21.6 The Contractor shall bear all losses, expenses, compensation, liabilities, etc., financial and/ or legal, consequent to any/ all damages done to the public/private/ government roads and properties outside the site while transporting materials to the site.

22. Grounds for Withholding Payments

22.1 The Employer may withhold the whole or part of any payment due to the Contractor to the extent necessary to protect the Employer from loss on account of any breach of the Contractor's obligations under the Contract. When the cause for withholding is rectified, such amount as then due and owing shall be paid or credited to the Contractor.

23. Suspension of Work

The Contractor shall, on the written order of the Employer/Project Management Consultant suspend the progress of the works or any part thereof for such time or times and in such manner as the Employer/ Project Management Consultant may consider necessary and

shall, during such suspension, protect/ maintain properly the work, so far as is necessary in the opinion of the Employer. No compensation would be paid to the Contractor on this account.

24. Security Deposit

24.1 At the time of making any payment to the Contractor for the work done under the Contract, 05% Security Deposit shall be deducted from his bills, certified for the interim work done.

24.2 The Security Deposit shall be refunded to the Contractor after expiry of the Maintenance Period/ Defects Liability Period provided the Employer are satisfied that all defects have been rectified and there is no demand outstanding against the Contractor.

25. Certificate of Virtual Completion

25.1 When all the works are completed, the Contractor shall give notice of such completion to the Employer, along with the necessary documents including written guarantees, as required under the Contract.

25.2 Within 30 (thirty) days of receipt of such notice along with the required documents, the Employer/Project Management Consultant shall inspect the works and furnish to the Contractor a list of defects to be rectified or deficiencies for correction by the Contractor. After rectification of defects, the Employer shall issue a Virtual Completion Certificate, after which only the guarantee period shall commence.

26. Extension of Time and Liquidated Damages

26.1 If the Contractor fails to execute the works and clear the site on or before the time of completion, he shall, without prejudice to any other right to the Employer on account of such breach, pay compensation to the Employer, to the extent stipulated as liquidated damages, a sum at the rate of 0.5% (half per-cent) of the Contract value per week of delay up to a maximum of 10% (ten per-cent) of the Contract value.

26.2 If the execution of the work is delayed due to reasons beyond the control of the Contractor, such delay may entitle the Contractor to a reasonable extension of time to be decided by the Employer. However, these reasons should satisfy the Employer for granting extension and it shall not be automatic.

27. Defects Liability Period

27.1 The Defects Liability Period shall commence from the date of Virtual Completion issued by Employer. The duration of the Defects Liability Period shall be 12 (twelve) months after the date of completion. However, the guarantee for the materials installed for the tennis court works shall be for seven years.

27.2 The Contractor shall without any additional charge to the Employer, renew or replace any defective works at his own expense during the Defects Liability Period.

27.3 The Contractor shall attend to the complaints of the Employer, as & when received, and shall take steps to immediately correct any deficiencies that may exist during the guarantee period.

28. Performance Guarantee

28.1 The Contractor shall submit an irrevocable Performance Guarantee of 5% (Five percent) of the tendered amount in addition to other deposits mentioned elsewhere in the contract for his proper performance of the contract agreement, (not withstanding and/ or without prejudice to any other provisions in the contract) within 15 days from the date of issue of the Letter of Intent/ Acceptance. This period can be further extended by the Employer for a period of 7 days, on written request of the Contractor stating the reason for delays in procuring the Bank Guarantee, to the satisfaction of the Employer. This Guarantee shall be in the form of Banker's Cheque/ Demand Draft/ Pay Order of any Scheduled Bank or Government Securities or Fixed Deposit Receipts/ Guarantee Bonds of any Scheduled Bank, in accordance with the proforma annexed hereto. In case a fixed deposit receipt of any Bank is furnished by the Contractor to the Employer as part of the performance guarantee and the Bank is unable to make payment against the said fixed deposit receipt, the loss caused thereby shall fall on the Contractor and the Contractor shall forthwith on demand furnish additional security to the Employer to make good the deficit.

28.2 The Performance Guarantee shall be initially valid upto completion of the Defects Liability period plus 60 days beyond that in case the time for completion of work gets enlarged, the Contractor shall get the validity of Performance Guarantee extended to cover such enlarged time for completion of work. After recording of the completion certificate for the work by the Employer, the performance guarantee shall be returned to the Contractor, without any interest

28.3 The Employer shall not make a claim, under the performance guarantee except for amounts to which the Employer is entitled under the contract (not withstanding and/ or without prejudice to any other provisions in the contract agreement) in the event of

- a. Failure by the Contractor to extend the validity of the Performance Guarantee as described hereinabove, in which event the Employer may claim the full amount of the Performance Guarantee.
- b. Failure by the Contractor to pay to the Employer any amount due, either as agreed by the Contractor or determined under any of the Clauses/ Conditions of the Agreement, within 30 days of the service of notice to this effect by Employer.

28.4 In the event of the contract being determined or rescinded under provision of any of the Clause/ condition of the agreement, the performance guarantee shall stand forfeited in full and shall be absolutely at the disposal of the Employer.

29. Safety Procedures

29.1 The Contractor shall incorporate in his operation the requirements of all the 'Safety Codes' issued by the CPWD and the local Authorities. All necessary personal safety equipment & first aid facilities shall be kept available for the use of the personnel employed on the Site and maintained in good condition by the Contractor for immediate use.

29.2 No materials on the site of works shall be so stacked or placed by the Contractor which causes any danger or inconvenience to anyone.

29.3 All consequences, damages or losses arising by reasons of any violation of the safety requirement shall be met by the Contractor. The Contractor shall be bound to pay compensation to the persons for the injuries sustained or death owing to neglect of the safety precautions, should any claim proceedings be filed against the Employer. The Contractor hereby agrees to indemnify the Employer against the same.

30. Force Majeure

30.1 In the event of Force Majeure i.e. unforeseeable events such as war, floods, earthquake, fire, explosion, riots, civil disorder and other adverse weather conditions etc. which are beyond the reasonable control of the Parties, cannot be prevented or overcome and which prevent either Party from meeting their obligations under this Contract, the Contractual obligations as far as affected by such event shall be suspended for as long as the Force Majeure continues provided that the other Party is notified within two weeks after occurrence of the Force Majeure. Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder. In the event of Force Majeure, either Party shall be entitled to prolongation of this Contract equal to the delay caused by such Force Majeure. Contractor shall be granted necessary extension of time to cover the delay as caused by Force Majeure and compensated for any financial repercussions by the Employer. The amount of such compensation shall be decided by the Employer, whose decision in this matter shall be final and binding on the Contractor.

31. Settlement of Disputes

31.1 The disputes and differences arising out of or in connection with the design, drawings, specifications, quantities, rates, etc. shall be referred to the Employer whose decision shall be final, conclusive and binding on the Parties here to and shall be without appeal.

31.2 All other disputes and differences of any kind whatsoever arising out of or in connection with the Contract or the carrying out of the work shall be referred to the Employer who shall state his decision in writing.

32. Arbitration

32.1 If any dispute, difference or question at any time arises between the Parties in respect of the meaning or interpretation of the terms and conditions of this Agreement or covering anything herein contained or arising out of this Agreement or the validity of the

enforcement thereof which cannot be settled mutually, shall within 30 (thirty) days (or such longer period as may be mutually agreed upon) from the date one Party informs the other in writing that such dispute or disputes or disagreement exists, be referred to Arbitration. Within 30 (thirty) days of the said notice, one Arbitrator shall be appointed by each of the disputing Parties by notice in writing to the other. The two Arbitrators shall select an Umpire whose decision shall be final in case of difference of opinion between the two Arbitrators.

32.2 The Arbitration proceedings will be conducted in accordance with and be subject to the Arbitration and Conciliation Act, 1996 (of India) as amended from time to time and the decision of the Arbitrators as mentioned above shall be final and binding on the Parties.

32.3 The Arbitration will have its sittings at Delhi. The language to be used in the Arbitral proceedings will be English.

32.4 The Contractor shall continue to perform his duties as far as practicable with diligence notwithstanding the fact that a dispute has been referred to Arbitration or any dispute or difference has arisen. It is also the term of Agreement that if the Contractor does not make any demand for Arbitration in respect of any item in writing within 60 (sixty) days of receiving intimation from the Employer that the final bill is ready for payment, the claim of the Contractor will be deemed to have been waived and absolutely barred and the Employer shall be discharged and released of all liabilities under the Agreement in respect of these claims.

10. TENNIS COURT: TECHNICAL SPECIFICATIONS AND APPROVED MAKES

Scope of Work

The existing lawn tennis court at the India House is in unusable condition and unsuitable for safe play. The surface is uneven and has cracks all over it. The nets, fence & lights too are not in good condition. Hence, the Embassy of India has decided to dismantle the existing court and construct a new court through an Agency on turnkey basis. Accordingly, Agencies specializing in executing tennis courts are to be engaged who can execute the total work - concrete base, synthetic surface, lighting, fence, nets, etc., on the basis of tenders. The Contractor's scope of work includes all works related to:

- a. Execution of WBM base complete as per finish, size, specification, slope, etc.
- b. Execution of cushioned synthetic/ acrylic SBR surface
- c. Execution of brick walls for drainage work finished with plaster and punning. The pavement work shall be carried with the colour rectangular block of size 1" x1" all as per the drawings & CPWD specifications
- d. Getting approval of all samples and materials from the Employer and Engineer-in-charge
- e. Transportation of materials from India/ abroad to the site at Kathmandu The specifications for the various works are given under.

1. Bituminous Base:

The scope of work includes laying of the bituminous pavement course, including Water Bound Macadam (WBM), premix carpet, Bituminous Concrete (BC), and other related layers, in accordance with the approved pavement design and specifications. The work also comprises laying of a 7-layer synthetic cushion surfacing system conforming to international design standards and relevant technical requirements. The pavement preparation shall include construction of a 30 cm thick sub-base layer using crushed stone or gravel as per site conditions and approved specifications, followed by preparation of a 15 cm thick sub-base course using 70 mm down crusher stone. Further, a 12.5 cm thick base course shall be prepared using 38 mm down crusher stone. The bituminous works shall include providing and laying 40 mm thick Dense Bituminous Concrete (DBC) using 7 mm aggregate and 25 mm thick Semi-Dense Bituminous Carpeting (SDBC), complete in all respects as per approved drawings, specifications, and directions of the Engineer-in-Charge.

2. Synthetic/ Acrylic Surface

Providing and installing SBR rubber cushioned surface with 8 layer synthetic overlay system (Rebound Ace Grand Slam 8 or equivalent), complete with court markings and colours. The surface shall be non-porous system, seamless surface to be laid over concrete base. The synthetic overlay to be only of reputed American/Australian brands. All material to be 100% acrylic and no inferior asphalt emulsion or asphaltic concrete material shall be used. Surfacing materials shall not contain vinyl acrylics, ethylene glycol, asbestos, or mercury. All works related to Court Patch Binder, Acrylic Resurfacer and Colour Concentrate and Line Marking Paint shall be executed as per best international practice with superior products. The acrylic coatings shall be applied/ laid only when ambient temperature is fifty degrees (50°F) and rising, and the surface temperature is not in excess of one hundred forty degrees (140°F). The coating is not to be applied when rain is forecast or sudden drop of temperature is expected. Climatic conditions such as very cool evenings and high dew points dictate that work should be completed early in the day so the coatings can be exposed to enough warm sunlight to form a film before sunset. The opposite applies during times of high heat, low humidity and drying breezes: under these conditions, acrylic work is to be executed early in the morning. If the product seems to be drying too fast in hot weather, mist the concrete base with water to make the application easier. It should be ensured that each application is allowed to dry thoroughly prior to recoating.

3. Fence

Providing and fixing 12' high mesh wire fence all around the court surface (including two openable doors), fixed on the beam, with steel framework of 3" x 3" sections, mesh of 1.5" x 1.5" 10gauge GI, with all priming & painting. The work to include two open able doors and all priming & painting of framework

4. Drain

Providing 9" Brick work with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 in foundation and plinth in Cement mortar 1:4.
